Creative Kids Preschool

2018

Off to a Great Start!

Our four years old classes are busy practicing writing their names. We have introduced the sight words a, I & and. We've started our letter bag guessing game. Many children forget to tell the clue and accidentally say what's in the bag. They will be professionals by the letter Z!

Our three-year-old classes are working hard on tracing letters and numbers. In our clear bag, we bring in pictures of the letter of the week.

All classes are working on walking in a line, sitting on the rug, cleaning up the room, putting our papers in our backpacks, and having good listening ears. The progress is amazing!

Cold Season is upon Us

We always ask that you keep your kids home from school when...

*He or she has a fever (must be fever free for 24hrs before returning to school).

*He or she vomits (can return to school 24hrs after vomiting).

* He or she have green mucus in their nose.

Please make sure that your child washes her or his hands each morning before entering the classroom with the wipes that are provided,

Practice covering their mouth and nose with a tissue when they cough or sneeze. Remind them to cover coughs or sneezes using their elbows instead of their hand when tissue is not available.

Show-tell

On show-n-tell days please have your child bring one item from home that is special to him/her. All items should be appropriate for a school environment (**no weapons please**). Your child will have the opportunity to stand up in front of their classmates and tell them about their special item.
