Notes:

- ❖ Wednesday morning we ask that you are promptly arriving at 9am, as we have planned an indoor field trip for your children to participate in. The Noah's Ark in house fieldtrip will consist of a stuffed animal filled morning.
- ❖ Thursday we will be substituting our reading and song time and we will be going to the Prospect Heights Library across the street from Gary Morava.
- ❖ Friday after the pool, the Jr. Explorers will have the opportunity to attend the Performing Arts Camp Performance at 11:30am. This performance is in- house and is roughly 10 minutes in length.
- ❖ In the event of rain, we will be replacing our park time with indoor games in our classroom and gym.
