

Magic with Gary Kantor

Children are guaranteed to have a great time in this class as they learn fascinating tricks from a professional magician! Amaze your family and friends with tricks that involve cards, ropes, coins, mind reading and more. While the tricks may appear difficult you'll discover that they are quick to learn and easy to perform. All materials will be provided, and each child will be awarded a magic certificate. Also, children can sign up for this class again and again since brand new tricks are taught at each session.

Lights, Camera ...Star Wars

Do you want to be the next George Lucas? We will create our very own Star Wars™ movie using special digital movie making cameras and software. As directors and producers we will work in teams to create our own story and script, then film our own movie. We will use graphic editing techniques and stop motion animation, add background noise and music. All students will get a copy of their movie, after class is complete.
