

March

Creative Kids Preschool 2019

All Students

Moms and Dads, what happens if your child gets lost in the mall? When found by a police officer will they know their phone number, your names (NOT Mom or Dad) or address? Please practice both address and phone numbers, it's for their safety.

Evaluations

We are in the process of evaluating each 3 and 4-year-old child. You may get notes home reminding you to practice letters, sounds, numbers, colors and shapes. We hope that between the practice at home and school, children have the opportunity to achieve their best. The evaluations will be completed by April 19th. Please **do not** hesitate to ask your teacher any questions that may arise. The four-year-old children need to practice telephone numbers and addresses this month.

Journals

Each 4 year old will be given a journal to complete over spring break. Please complete it, and return it to school on Monday, April 1st. Children may draw pictures and write or dictate what they did on spring break. This is a good time to practice developmental spelling. Please discuss the day, month, date year and weather, just as we do in school each day. We always enjoy sharing the journals with the class!

Have a Wonderful spring break!!

Conferences

Conferences will be offered for all parents
Mrs. Petzel's Class Tuesday April 23rd
Ms. Schey's and Mrs. Delfosse's class Wednesday April 24th
Mrs. Kargenian's class Thursday April 25th
There will be babysitting provided for the preschool child.
Sign up sheets will be posted April 8th.

Spring Pictures

Spring Pictures will be taken for 3-year-old classes on Thursday March 21st and 4-year old's will take graduation pictures with cap and gown Friday March 22nd. Parents of 4 yr. old's if you would also like a spring picture please inform your teacher.
