

Summer 2019

**Dear Travel Camp Families,**

Welcome, to the Prospect Heights Park District Travel Camp! We are very excited to have your child in camp!

Travel Camp will have three field trips per session. Most will be off site, however this summer we have some on site activities planned! We will be transporting the kids via our Prospect Heights Park District 15 passenger bus. There are a few trips through out the summer we will be transporting the campers via a school bus.

Extra spending money is up to the parents for each field trip. Your camp fees cover the admission to all field trips.

Here are few important details you will need to know for your travel camper.
