LOCATION: IT'S A SURPRISE!

Join us for a cool new spin on an egg hunt! Usually egg hunts are geared towards young children. This program gives the "older kids" some eggs-citing fun! This hunt is a night out at the park and the location will be kept secret until 1 week before the event. (The location and details will be sent out to all registered participants.) The downside is that you must pre-register for this program but the prizes are more than just candy. This event promises to be a TON of Fun for the "Older Kids".
