Public Comment (continued)

MJ Meier, 1101 Oak Ave, Prospect Heights, IL 60070 Bill and Jan Mayyou, 1 Drake Terrace, Prospect Heights, IL 60070 Lorney Bendel, 1104 Oak Ave, Prospect Heights, IL 60070 Hillary Feldman, 860 Tanglewood Drive, Wheeling, IL 60090 Pat Rymer-Sylvia, 4 Drake Terrace, Prospect Heights, IL 60070

The following residents commented:

Mohena Kaur 108 Eleanor Drive, Prospect Heights, IL 60070 – commented that she just emailed the Park Commissioners a petition from surrounding Prospect Heights/Wheeling neighbors who are against the proposed development. The petition received 148 signatures and 657 online signatures. She is opposed to getting rid of trees, concerns regarding flooding and water drainage.

Mike Linzing – commented that Lexington is avoiding R1 zoning laws to convert it to R2; inappropriate development on a single access road; Arborist study is an illegitimate study; no dead trees; pond will take up a significant portion of the swapped land; open space is limited. He asked if the park district has considered buying that land?

Melissa Palmquist Anderberg 675 W Highgoal Drive, Wheeling, IL 60090 – commented that space is used for children to play and for residents to walk; 69 additional extra traffic and congestion; how it impacts our school systems; keep 200 trees; Prospect Heights should look into adding more industrial rather than residential.

Steve Drake – commented that his family built the subdivision and wanted to inform the park board that the community has hired legal representation.

Lorney Bendel 1104 Oak Ave, Prospect Heights, IL 60070 – he added to his written comment that was read into the record that the TIF may be dependent upon the Park's land swap but he is unaware of how TIF funds are spent and feels the development has too much of impact on the residential area.

Greg & Chris Butberger, 1100 Honeysuckle Dr, Wheeling, IL 60090 – commented that we will lose a good amount of green space to the development; clear cutting trees is a crime; degrade character; trees create a great backdrop for both parks and surrounding homes; needs to be more about money; vote no on this project.

Subject: Proposed Muir Park/Lexington Homes Development Comments

For inclusion in the public comments at the July 21, 2020 Prospect Heights Park District Board meeting:

I am a 33 year resident of the community that surrounds Muir Park and want to share why I object to any sale and/or land-swap deal with Lexington Homes for a portion of Muir Park. The wooded area between John Muir Park and Pleasant Run Park, which could potentially be destroyed, is truly enjoyed by the residents of the surrounding neighborhoods, including my family, each and every day. I know the trees that make up the wooded area and that outline the park are not "heritage" trees, but those trees, some of which are 60-80 years old, provide shade, scenery and health benefits for the local residents. Additionally, they offer shelter for the birds and other wildlife that inhabit the park, not to mention the all water they consume to assist with flood control. The neighbors I have spoken with are appalled at the thought of the wooded area being destroyed and the surrounding park trees being removed, especially to allow some townhomes to be developed. John Muir, who was an environmentalist and founder of the Sierra Club and numerous National Parks, would be rolling in his grave at the though of all these trees being destroyed.

I hope you will not support this deal or any future deals that would go directly against the interests of our community and I ask you to advocate for the preservation and improvement of public park land, not the destruction of it.

Thank you, John Albrecht 606 Equestrian Drive Wheeling, IL. 60090

Subject: Voice my objection to any proposed Lexington Homes development of the Muir Park

***** THIS IS AN EXTERNAL EMAIL *****

My name is Don Kronforst, and I live at 3 Prospect Drive Prospect Hts, IL_60070. I am emailing to voice my objection to any proposed Lexington Town Home development of the Muir Park and JFH property area, for this development is not in the interests of our community! It would double the population of the adjoining subdivision in Prospect Heights this new proposed townhome area would enter and exit into our main subdivision unlike Rob Roy, Lake Arlington, and Arlington on the Ponds. Your proposal will (exit and enter) on to our subdivision streets and not

on to wide main roads like all other similar type townhomes. Rob-Roy enters and exits on to Camp Mc-Donald or Euclid ave. Lake Arlington has 3 exits or entrances 2 on Schoenbeck Rd and 1 on Palatine Rd. and Arlington on the Ponds enters and exits on to Willow Rd across the street from Target. The inevitable increase in the motor vehicle and pedestrian traffic poses a unique health and safety risk to a neighborhood that is without sidewalks or street lights and very narrow roadways. This development would also destroy 234 trees and a significant amount of open green space, as well as interfere with the surrounding community's ability to access, enjoy, and otherwise make use of our public park.

At the very least, this area should stay zoned as single-family residential. We do not want an obtrusive, overpriced townhome development to undermine the quality of life for existing residents and the surrounding community. We demand that the Prospect Heights Planning and Zoning Board of Appeals <u>REJECT</u> the Lexington Homes application in pursuit of this development. Say No to Lexington Homes!

Subject: Muir Park and Lexington Homes

Dear Park District,

I understand you are considering a land swap with Lexington Homes for a portion of Muir Park. As a 30 year resident of the neighborhood known as Glen Drake Subdivision, where the only access to the park is located, I strongly object to this proposal. The removal of more than 100 healthy trees to build a retention pond on park property would allow Lexington to cover most of the private land with buildings and pavement. This pond along with the shared parking lot on park property would diminish the amount of usable playing area. Meanwhile the development would substantially increase the number of residents who use the smaller park.

I thought Prospect Heights took pride in the amount of open green space available to its residents and was looking to improve the amount of open space, rather than crowd in an existing park with a high density, over sized development with less than standard setbacks from property lines and very little green space of its own.

Also, is it true that Lexington is offering to sweeten the deal with a contribution to the Park District of \$500,000? Would the Park District sell out the neighborhood residents like this? It would be like giving the development their own private park. Oh did I mention that the only access to the park would be through their private property.

There are many reasons why this development should not go through as proposed, but most of all, you would be putting all the residents of Glen Drake at higher risk of injury from all the increased traffic on our streets that act as our walking paths and where children stand to wait for school buses.

Please don't let Lexington Homes swap land and destroy our park and neighborhood.

Subject: Loss of Muir Park access

Christina,

Would hope you will support the Drake Community memberS in NOT reducing the park.

- 1) appears that Lexington Homes is statling the park would be the same size. They forget that they are counting the swamp that is be constructed as a holding pond. To state the size of the park is not being reduce, wrong!
- 2) access to the park will be greatly reduced due to the fact the only access will be through very tight street of the development.
- 3) parking is going to be greatly reduced, the development has limit parking and they will be taking over the 26 spots being cut for the park, guarantee!
- 4) park users will be in competition in driving to in from due to the possible 140 pulse vehicle that could be part of the Lexington development.
- 5) my hope is you and the rest of the park board will vote DOWN the sale of any property to Lexington Homes due to the poor design and the unsafe conditions that this development will created for our community, especially for the children using the park!

<u>Sent from Yahoo Mail for iPhone</u>My name is Lorney Bendel of 1104 oak ave prospect heights Illinois. My concern is children safety. I am a retired police officer and I know the input of 480 vehicles a day will endanger children. More traffic, more danger. There are no sidewalks or curbs in the single family residential area that the multi family area impacts. I'm asking the park board to vote no.

Subject: Muir Park/Lexington Development

To Whom It May Concern:

My husband and I live at 860 Tanglewood Drive in Wheeling. When we moved here 14 years ago, we chose this neighborhood in large part because of its proximity to open land. Open space is important to us, to the environment, and to the health of this community. We use the park and walk both our neighborhood and the Prospect Heights neighborhood to our west almost daily. A huge new development, the loss of open land and so many trees, and the increased density would ruin this neighborhood.

Like so many residents in these two neighborhoods, we assumed the proposed development site was owned either by Wheeling or Prospect Heights and that the existing building would eventually be turned into something the community could enjoy (a youth center, community center, or senior center). The idea of 69 extra residences is just unfathomable to us.

Many of us that live in these neighborhoods already experience terrible flooding when it rains, drainage issues which neither Prospect Heights nor Wheeling have addressed. Take away more water-absorbing land and tax an already-malfunctioning sewer system even further is just plain irresponsible. I worry about the park flooding now, too.

I know traffic, infrastructure, safety, and other issues are all being fielded to the PH Zoning Board Committee, but I also understand that this development depends in part on a land swap between PH and Wheeling. Please don't do it. Hundreds of the local residents are truly against this project for a myriad of reasons. We love our parks. We love our open spaces. We need them.

Thank you.

Subject: Lexington Homes development at Muir Park

I am voicing my objection to the 61 or 69 development application made by Lexington Homes for land located at Oak and Drake near Muir Park. I live at 4 Drake Terrace and do not want the additional traffic the 61 or 69 units will add on Drake. The additional traffic, be it temporary from construction, or permanent due to residents of the townhomes just add to unsafe conditions icluding that of walking in the streets as a result of our subdivision not having curbs and sidewalks. I'm also very concerned about cars and FIRETRUCKS getting by the parked cars on Drake once the street fills up with cars parking on the street because the guest parking spots in the development are filled up due to residents of the townhomes parking in the guest spots because they need more parking spots supplied by ownership of their townhome. Also, I'm concerned that Lexington Homes will not take the proper precautions regarding digging the well for the units, and I'm not convinced Lexington Homes will contain any flooding problems with this development. I do enjoy living in Prospect Heights right now, but that's because my husband and I went out of our way to find a town that had that small town feeling, with the ability to listen to and represent the residents of the city. We thought we found that when we moved to Prospect Heights. Please do not make the mistake of rezoning the land at Oak and Drake by building a development too big for the amount of land. We don't need 69 unit townhomes. Build the homes that the land was zoned for without destroying trees, retention ponds or park and without an overwhelming amount of traffic. Pat Rymer-Sylvia

COMMUNITY PETITION

To reject the Muir Park Townhome Development proposed by Lexington Homes

We, the residents of Prospect Heights, Wheeling, and the broader community, stand firmly opposed to the townhome development that Lexington Homes wants to build on the Muir Park and/or Jolly Fun House School properties. This development is not in the interest of anyone who lives in the surrounding community!

- The planned 61-69 townhomes would at least double the population of our subdivision, which already has over 70 single family homes.
- Oak Avenue is the only way in or out of the planned development area, and it leads out into the existing subdivision.
- The neighborhood has no sidewalks or streetlights!
- We are located across the street from Wheeling High School, and many of our children walk through the neighborhood to get to school.
- The inevitable increase in motor vehicle and foot traffic poses safety risk to pedestrians, especially children playing in the street (because, again, we have no sidewalks, or street lights).
- The development would remove over 200 trees!
- Those 60-80 year-old cottonwood trees help drink up water in an area prone to flooded lawns and streets, as we have water drainage issues in the spring.
- What about the impact on our long-term water supply? Many of the homes in the area entirely dependent on well water.
- This private development would also interfere with the ability of the existing residents to use, access, and enjoy Muir Park and what is left of our public space!
- What about our property values? Having access to that space is part of the appeal of the neighborhood.
- We are appalled that the Park District even entertained the idea of a land-swap deal with a private development company to sell off public land and re-draw park lines
- We enjoy our public park and open green space! The residents of this community interact and get to know the names of their neighbors, and even the names of their neighbor's pets, because of how widely this space is frequented. It is a unique and beloved feature of our neighborhood precisely because it facilitates the creation of community.

We demand that the Prospect Heights Planning and Zoning Board of Appeals reject the Lexington Homes application in pursuit of this development. At the very least, this area should stay zoned as single family residential. We do not want an obtrusive, overpriced townhome development to destroy this neighborhood's green space. In the event that this development is allowed to continue moving forward and is put to Prospect Heights City Council for a vote, we demand that Mayor Helmer and our Aldermen, who were elected to represent the interests of our community, take action to stop this project from being developed.

Say no to Lexington Homes.

Marc Heidkamp - Director of Golf

Annette Curtis – Superintendent of Finance & Planning Edlyn Castil – Admin Serv Mgr/Recording Secretary

Corrections/Additions/Approval of Agenda

A motion was made by Commissioner Kirste and seconded by Commissioner Carney to approve the agenda as submitted. The motion was unanimously approved with a voice vote. The motion carried.

Approval of Minutes

Finance Committee Meeting November 19, 2019 Finance Committee Meeting December 10, 2019

A motion was made by Commissioner Kirste and seconded by Commissioner Carney to approve the November 19, 2019 and December 10, 2019 Finance Committee Meeting Minutes as submitted. The motion was approved with a voice vote. The motion carried.

New Business

2021 Budget Timeline

Superintendent of Finance & Planning Annette Curtis reviewed the proposed 2021 Budget Timeline. The timeline follows the 2020 budget with the biggest difference is that Camp, KinderStop and Preschool were aligned to be reviewed prior to the Winter/Spring Brochure distribution in November. The budget will be presented in the December board meeting and will be open to the public for 30 days and presented for approval in January 2021 board meeting.

COVID-19 Impact

Superintendent of Finance & Planning Annette Curtis reviewed the estimated lost revenue as of April 7, 2020. She also discussed the actions staff has taken to minimize the impact to the park district.

Unclaimed Property Policy

Superintendent of Finance & Planning Annette Curtis discussed the proposed Unclaimed Property Policy. The Finance Committee was in favor of presenting the policy for approval at the next regular board meeting.

2019 CAFR Rough Draft

Superintendent of Finance & Planning Annette Curtis presented and highlighted some areas of the 2019 CAFR rough draft to the Finance Committee. The final 2019 CAFR presentation is scheduled to be held on May 26, 2020 at the regular board meeting. The park district earned the 2018 GFOA Certificate of Excellence Award.

Adjournment

With no further business to discuss, a motion was made by Commissioner Kirste and seconded by Commissioner Carney to adjourn the Finance Committee Meeting at 6:53 p.m. The motion was approved by a voice vote. The motion carried.

Re: August 2020 Board Report

OOCC ELECTRICAL UPGRADE PROJECT

Staff continues to work with Ashburn Power to commence the project this year.

OOCC GROUNDS

Legal has received the deed of ownership for the OOCC grounds garage parcel; an application with the county will be filed to have all back taxes set aside and the interests of any intervening tax buyers removed.

The environmental work at Old Orchard Country Club that ceased in 2003 and the potential cell phone tower lease discussion may begin soon with the current conveyance of property to the District.

PERSONNEL MANUAL

Staff is reviewing recommendations received from legal to update the personnel manual. The manual will be submitted to the Personnel and Planning Committee for approval (Ellen Avery and Vicki Carney) to recommend to board for acceptance.

REMOTE WORKING POLICY

Staff is creating a policy for staff who may work remotely. The policy will be submitted to the Personnel and Planning Committee for approval (Ellen Avery and Vicki Carney) to recommend to board for acceptance.

AD-HOC ARTWALK ON HILLCREST

Staff has meeting scheduled with residents to create art for public enjoyment in some fashion.

Re: August Board Report

Everyone Counts! Census Events

The first Census event will be a drive-in concert featuring the band Focal Point will be held at the Gary Morava Recreation Center back parking lot on Saturday, August 29 from 7-9PM. There is a limit of 25 cars and registrants must reside in Prospect Heights. Pre-registration is required. Facial coverings are required when not 6 feet apart or entering the recreation center. This is a free event and a raffle will be held. We have 13 registered.

Congressman Schneider and Commissioner Scott Britton will be speaking.

The second Census event will be a drive-in movie. It is planned for September 19; we will be showing the movie Grease.

Gary Morava Recreation Center

We opened to the public on August 17; this included the fitness center, rentals, open gym and racquetball.

Marketing

We are currently working on our September newsletter.

We will be publishing the Winter/Spring brochure; it will not be mailed out. It will be online and we will have limited hard copies at the front desk for patrons.

Programming

Jeanette did an exceptional job of organizing the eLearning Camp which started August 19. Thanks to Edlyn and Christina as well for helping with the first day to make sure all of our learners were able to get into their "classroom". Kris Lebrecht from District 23 will be helping us each Monday to make sure the students have everything they need; schedules, devices and supplies.

Training

Our monthly training was held on August 5 for the Preschool and KinderStop staff.

Re: August 2020 Board Report

Skylights

Twelve skylights have been replaced in the area around room one and preschool. Remaining skylights will be budgeted for replacement next year.

Plumbing

Water kept running in the women's locker room sink, metering cartridge that controls the water flow failed and would not turn off the water. Replacement cartridge was installed.

Fitness Center

Exercise equipment was rearranged in the fitness center to allow extra distancing between machines. Two of the treadmills are closed to provide additional space when multiple patrons are using the machines.

Rooms A & B

Supplies that were removed from Pre-school A for the camp season and stored in the fitness center are now being stored in the men's locker shower area, Supplies and furniture from pre-school B will be stored in the women's locker room shower until items can be returned to the classrooms.

Eisenhower School

We have finished cleaning the school for the camp season on August seventh.

NRC

Met with Agnes and Dana at Heron pond, discussed removal of tree's and branches that fell in the pond, crew was able to remove all but one by hand, a large tree branch that was in the water and still attached to the tree needed the front loader to be removed.

Tully Park

During the storm a few weeks back, a tree came down at Tully and fell in a neighbor's yard. It was a large tree but did not damage the neighbor's house or deck.

PHWYBS

Summer baseball season should be finished by the end of August, we have been notified that baseball may play in September and October. Doug has asked the league for a schedule so he can plan for field preparation.

Bus Inspection

Bus number two passed the inspected and received the safety sticker.

Parks

Clean up, grass cutting, trimming, and garbage pickup is ongoing at the parks, we started replacing 55-gallon trash cans that are rusting out.

Re: July 2020 Golf Operations Board Report

Golf

July was extremely busy with 78% increase in revenue over 2019. The full-time staff is working hard to ensure the services are met. As the part time staff returns to school, we will be switching some personnel that will help us finish the season strong. We hope the weather stays nice and we can keep pace without the golf outing business we've counted on in years past. Many golf outings have canceled for the season, due to Covid 19 and guests not wanting to participate in large groups. Open play will have to remain strong in order to keep pace with 2019 revenues. It remains to be seen but we are encouraging Open Play daily.

Beverage Cart/ Halfway House

Sales have increased by 70% this season with some positive changes. We are opening earlier in the morning and staying out later into the dusk. Also, we have introduced daily drink specials that have increased sales on the beverage cart. Our clients have enjoyed the new flavors and have been willing to pay a premium for the special drinks. This coming month we will offer the new Quarantini 19.

Grounds

With 20 days of temperatures exceeding 90 degrees, staff has kept the turf alive with hand watering. As we move into 2021, we plan to fix the tee boxes as it impacts our ability to increase revenues moving forward. The skilled Grounds crew provided a savings of \$4,000 with in-house well repairs.

Club House

This area has been virtually closed down with the exception of a few events due to Covid guidelines. We have been maintaining the facility, keeping it clean and hoping for the day we can return to normal business. We are showing the facility and booking for the 2021 season and beyond. To date there are 35 weddings secured for 2021 and it will continue to grow. We feel the business will increase tremendously once the restrictions are lifted.

Junior Golf

I am extremely proud of the work Doug has done with the junior Golf program this year despite the Covid challenges. Running the camps and keeping the children safe has been the main focus. For the first time since its inception in 1999 several programs have reached capacity. The students are planning to continue late into the fall. This program is the gateway to build the future of golf moving forward.

Re: August Board Report

Preschool

Virtual Summertime preschool ended on July 31st. The M/W/F section went well, with a consistent 4 students. We had positive feedback from the families.

The 2020-2021 school year will begin September 8/9. We will be offering both in person classes and virtual classes.

Youth Athletics

Little Kickers Soccer league will begin on September 12th. Due to the recent guidelines that were issued for youth sports. Soccer falls into the medium risk category. The format of youth soccer will look different than in the past. The Pre-K-K will practice on Saturdays, with optional practices during the week all with signed parent release form. The 1st-8th graders, teams will still be formed, they will have a weekly practice, and play games with a modified field and rules in order for the players to maintain 6ft of social distancing. We currently have 12 participants enrolled.

Fitness Center

Fitness Center reopened on Monday, August 17th. Cardio and strength machines have been spaced out for 6ft of social distancing. Members will need to reserve a 90-minute time block, each time block allows for 15 members at a given time.

Day Camp

Summer camp ended on August 14th. We had 71 total campers during our shortened 6-week summer. The counselors did a fantastic job this summer! Both staff and campers adapted well to the changes in the camp routine and guidelines that were presented due to COVID.

Dance

Summer dance ended with 16 participants in 3 classes.

Our Virtual Spring Dancer Recital videos have been sent to all participants and posted on our Star Studio Facebook Page. We also sent the parents pictures that we captured during our videotaping sessions since we did not have professional pictures taken this season.

Our Competition Dance Team Clinics are the week of August 17th with final try outs on Saturday, August 22nd. We had 17 dancers (including 2 boys) signed up for clinics and try outs. 3 more dancers than in 2019-2020 season. Final teams will be posted on Monday, August 24th. I have been in several meeting with the different Competition Organizations to find out the plans for the 2021 Competition Dance Season. I am excited about the changes they are making to keep our dancers and staff safe. We will be offering both virtual & in person fall dance classes.

Active Adults

Our Active Adults are ready to start traveling again! So many phone calls requesting my newsletter. I am currently planning trips & in-house programs to begin late September. We will start off with a lunch, a casino and an outdoor adventure within the state. We will not be crossing boarders until COVID is under control.

I have been offering a few virtual programs for our active adults. Bingo & Bunco for have been enjoyed by some of our regular players. They are just happy to see each other faces.

Special Events

Virtual Bingo & Trivia events will be offered again starting in September. I have been busy creating a new and improved SpookFest for 2020. The entire event will be held outdoors featuring our Haunted Hayride at OOCC with a timed entrance for participants, the PHPD Pumpkin Patch and newly added events, "DONT" Touch a Truck & Scarecrow Row, where families, organizations & businesses will create a scarecrow to enhance our Haunted Hayride route.

Creative & Performing Arts Camp

CPA camp began on Monday, July 6th and ended on August 14th. Our campers enjoyed 6 weeks of fun and games. We had a total of 77 campers over the 6 weeks. The Kona Ice Food Truck & a local neighborhood ice cream truck visited our camp each week for our campers to purchase a cool treat. Our counselors did a fantastic job this summer keeping the campers safe.

Our Production Camp ended with 11 campers. The show was videotaped and is currently being edited so we can post the show for all to see.

Re: Board Report – August, 2020

Program updates: Youth Programs, Kinder Stop, E-Learning, Aquatics

Kinder Stop

There are currently 8 students enrolled in KinderStop PM. This program will begin on Thursday August 27th. Lead teachers Jackie and Jenn are working hard on planning out crafts and activities for kids to do during the duration of the program. Numbers are expected to increase when in-person school returns at District 23.

The first month of KinderStop will be a nature theme. Kids will be going outside to make crafts and do activities with nature. Having a nature theme while doing activities outside will allow kids to take off their masks and get fresh air.

E-Learning Camp

Due to District 23 and surrounding school districts having remote learning, we have decided to offer an E-Learning Camp to help working parents! The first week of camp began Wednesday August 19th with a total of 20 students. The first day went very smoothly with the help of our internet upgrade! Parents have expressed many times that they are extremely grateful that we are offering this program. Majority of students registered for this program attend Prospect Heights District 23 schools, however some other students come from Arlington Heights, Wheeling, Park Ridge, Des Plaines and Highland Park.

Week 2 of E-Learning camp will begin on Monday August 24th with 27 students enrolled as of Wednesday August 19th.

Youth Programs

The next Kids Day Off program will be held on Monday September 28th. Participants will not be going away on field trips for this program, instead they will be staying in-house due to COVID-19 concerns.

Aquatics

Lions Pool is closed until summer 2021.

GreenPlay, LLC prepared the final report for staff to review which includes Williams Architects' conceptual drawings. The GMRC Feasibility Taskforce of five or six residents and two board members was established to work with staff and make recommendations to the Board about pursuing the recreation center renovation project.

The Taskforce will meet to review the final report in September and it is anticipated they will be ready to make a recommendation to the Board of Commissioners in September or October.

Re: Proposal for landscape architect services for potential Muir Park plan development

Lexington Homes has proposed a housing development adjacent to Muir Park. Lexington has also proposed the park district exchange a portion of Mui Park with Lexington for a price and has offered additional funds for the development of Muir Park. This parcel exchange is 27,549 square feet or 0.62345 acre. The staff has discussed several possibilities in regards to improvements to Muir Park which is currently a field used mostly by PHYBS for practices and games.

A decision has not been made to accept this offer from Lexington, however, discussions of how to improve Muir Park have continued. Staff has contracted JSD Landscape Architect at a cost not to exceed \$4,200 for two preliminary plans and probable cost opinions for Muir Park for the Board's consideration if the decision is to indeed develop Muir with Lexington's improvement dollars. These preliminary plans will be reviewed at the September board meeting at which time the Board may authorize JSD Landscape Architect to develop a final plan for further discussion. This allows the Board to envision what may be possible on this property and consider the costs to do so.

Re: ITEP Grant

Application for ITEP Grant for bike path renovations

Illinois Transportation Enhancement Program (ITEP) will provide \$80 million in state and federal funding for walking, biking, and trail projects around the state. The call for proposals is scheduled to be open from August 21 to November 2, 2020. A community meeting will be held soon. The application is due in November.

After touring the bike path, and speaking with grant writers, staff believes a grant proposal for \$100,000 may include demolition of 2,160 linear feet of path, replacement of asphalt, installation of signage, benches, litter receptacles, bike repair station, seeding restoration, and architect and engineering fees. The bike path is greatly used and outside of patching the asphalt and mowing the lawn the park district has not spent many dollars on this site. This is the ComEd Right-of-way that is leased by the park district.

Recommendation

Staff recommends an ITEP grant application be submitted on behalf of the park district for \$100,000. Staff recommends the funds be set aside in the FY2021 budget

INTERGOVERNMENTAL AGREEMENT BETWEEN THE PROSPECT HEIGHTS LIBRARY DISTRICT AND THE PROSPECT HEIGHTS PARK DISTRICT FOR THE JOINT PURCHASE, OPERATION) AND MAINTENANCE OF AN ELECTRONIC MESSAGE CENTER

| THIS AGREEMENT made this _ | day of | , 2020 by and between the PROSPECT |
|--|----------------------|--|
| HEIGHTS PUBLIC LIBRARY DISTRICT, Co | ook County, Illinois | ("Library") and the PROSPECT HEIGHTS PARK |
| DISTRICT, Cook County, Illinois ("Park | District"), which m | nay hereafter be identified as "the agencies." |

WITNESSETH:

WHEREAS, in the best interests of the taxpayers of Prospect Heights Library District and Prospect Heights Park District, the Library and the Park District entered into an intergovernmental Purchase and Use Agreement in 2007 to save the taxpayers money by sharing the cost of purchase and use of Electronic Message Center, located on Prospect Heights Park District property at the northwest corner of Camp McDonald Road and Elm Street in Prospect Heights.

WHEREAS, in 2020 the agencies entered into an Intergovernmental Agreement to purchase the replacement of the LED Message Center of the sign structure

WHEREAS, the legal authority for the parties to enter into this agreement is established by:

(a) Article VII, Section 10 of the Illinois Constitution, which provides as follows:

"Units of local government and school districts may contract or otherwise associate among themselves, with the State, with other states and their units of local government and school districts, and with the United States to obtain or share services and to exercise, combine, or transfer any power or function, in any manner not prohibited by law or ordinance. Units of local government and school districts may contract and otherwise associate with individuals, association and corporations in any manner not prohibited by law or by ordinance. Participating units of government may use their credit, revenues and any other resources to pay costs and to service debt related to intergovernmental activities" and

(b) The Illinois Governmental Cooperation act, (III. Rev.Stat.1982, ch.127, par. 741 et seq.) Which provides in part as follows:

"Section 743. Intergovernmental Agreements. Any power or powers, privileges or authority exercised or which may be exercised by a public agency of this State may be exercised and enjoyed jointly with any other public agency of this State and jointly with any other public agency of any other state or of the United States to the extent that the laws such other State or of the United States does not prohibit joint exercise or enjoyment."

"Perform any governmental service, activity or undertaking which any of the public agencies entering into the contract is authorized by law to perform, provided that such contract shall be authorized by the governing body of each part of the contract. Such

contract shall set forth fully the purposes, powers, rights, objectives and responsibilities of the contracting parties"

NOW THEREFORE, in consideration of the property and the mutual covenants and conditions contained herein, the agencies agree as follows:

- A. **PURCHASE OF REPLACEMENT LED MESSAGE CENTER:** The agencies shall participate equally in the vendor selection and establishing software. Purchase cost shall be mutually agreed upon by the agencies and approved by Trustees/Commissioners.
- B. **USE OF ELECTRONIC MESSAGE CENTER:** The agencies agree to use the sign for display of agency announcements and programming. Additionally, time and temperature will be displayed. Upon requests received by either agency, sign shall display announcements of current community events. Should the definition of "current community events" become questionable, the agencies agree the Executive Directors of each agency shall approve the message prior to its display.
- C. **INSTALLATION OF ELECTRONIC MESSAGE CENTER:** The agencies shall share equally in all costs related to physical installation/operation of sign's electronic message center. The chosen vendor will remove and dispose of existing electronic message center and install new Electro-Matic Visual on both faces of existing sign.
- D. MAINTENANCE: The agencies shall share equally all costs related to ongoing maintenance beyond the 5-year limited warranty policy with the chosen vendor. The agencies agree to review potential preventative maintenance programs related to parts and service for sign operation when the 5-year limited warranty has expired. The Park District will coordinate parts and services required for sign maintenance. The Park District shall be responsible for maintenance of property at sign location and for the preventative maintenance which includes periodic (annual) cleaning of filtering and ventilation systems.
- E. **DAMAGE LIABILITY:** The Park District agrees to process insurance claims through the Park District's property insurance for damage to Electronic Sign. Park District will coordinate parts and services required for repairs. The agencies shall share equally in cost of insurance deductible.
- F. **OPERATION OBLIGATIONS:** The agencies agree to employee web based training. Each agency may authorize specific staff to enter data and schedule display messages. The agencies shall share the operating costs equally for Electronic Sign related to energy and connectivity expenses. Park District will be responsible for providing Library a quarterly invoice/statement of expenses.
- G. **INDEMNIFICATION, LIABILITY AND INSURANCE:** The Park District shall obtain full liability insurance, indemnify and forever hold harmless the Library, its officers, agents, representatives, and employees, successors and assigns against any and all claims, demands, costs and expenses of any nature whatsoever, including reasonable attorney's fees for the defense thereof, arising from or in connection with the initial purchase, replacement LED message center and use of Sign to the extent of such insurance coverage. Each agency shall name the other agency as additional insured for insurance reasons.

H. ALTERATIONS: No alterations or additions shall be made to the Electronic Sign structure without the prior written consent from both agencies. Neither agency shall unreasonably withhold approval of any structural alterations or additions to Electronic Sign requested by either agency.

NOTICES: All notices shall be in writing, mailed, or hand delivered to the individuals and at the address indicated below:

If to Library:

Or to such other individuals or addresses the parties may designate in writing.

I. MISCELLANEOUS:

- This agreement shall be binding upon the parties their successors, and permitted assignees. This Agreement shall not be modified or amended. Agreement shall be interpreted and construed in accordance with the laws of the State of Illinois.
- **2.** The agencies shall at any times provide their connectivity to the Electronic Sign unless otherwise specifically agreed to the contrary in writing.
- **3.** This agreement shall be in effect for ten years (the life of the sign is approximately 100,000 hours usage) and thereafter shall be subject to automatic annual renewal unless either party provides 6-month notice of termination to the other party prior to the end of the term.
- J. NO THIRD PARTY BENEFICIARY: This Agreement is entered into solely for the benefit of the contracting parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person or entity who is not a party to this Agreement, or to acknowledge, establish or impose any legal duty to any third party.

IN WITNESS WHEREOF, the parties have duly caused this Agreement to be executed on the day and year first above written.

Re: Financial auditing services

Auditing Services

A request for proposal was sent to eight firms and three proposals were received. Five firms declined due to staffing concerns or reporting (CAFR) requirement. Of the three proposals received, costs ranged from \$47,500 to \$43,200 over three years.

Recommendation

Staff recommendation is for Sikich LLP to provide the financial auditing services at a cost not to exceed \$43,490 based upon experience, approach and cost.
