Here's how BINGO will work:

Drive in to the rear parking lot at GMRC (entering off Camp McDonald Rd) no later than 5:45pm. You will be greeted by a masked, staff member to check you in and give you your numbered parking spot. There will be one empty parking spot in between each vehicle. Bingo kits will be passed out to each car. The bingo kit will contain everything you will need for a fun evening of bingo. When someone in your vehicle gets a BINGO, flash the lights and honk the horn to indicate a winner! Staff will deliver your prize to your vehicle. You may sit outside your vehicle as long as you remain socially distant with your neighbors. The restrooms in GMRC will be open. *You never know who might stop by and be our guest bingo caller.*

Award for most outrageous Christmas themed vehicle!
