Everton is coming to the US this summer!

Open to ages 5-13, across all abilities with two distinct programs, Everton is hosting camps to suit the recreational player or those more advanced and looking to take their game to the next level. All camp curriculums are fully bespoke and designed by Everton Academy coaches specifically for our 2021 U.S soccer schools. Get a taste of the English Premier League this summer! Junior Toffees (Ages 5-7) guides players through a variety of exciting activities, technical skill sessions and small sided games that all encourage maximum touches. Junior Toffees allows players to learn the fundamentals needed to become a competitive soccer player. Community Camps has a structured curriculum where players engage in foot skill activators, fake moves and turns, 1 vs 1, 2 vs 2 and coached small sided games and scrimmages. Community camp is a fun way to develop soccer skills in a competitive environment, with our EISS community coaches. Camp includes an EISS training jersey, Everton FC gift and evaluation.
