

COMMUNITY OPEN HOUSE

A Community Open House will be held Tuesday September 14, 2021 at 6:30pm - 7:30pm at GMRC to discuss potential renovating or rebuilding the recreation center and the pool facility.

All are welcome to attend this event to discuss and provide opinions as we create a blueprint for the future.

Need a sitter for smaller children? We will provide free childcare for children 2-12 years old at the GMRC for those who want to attend the Open House.

If you are unable to attend the Open House, please email your comments or suggestions to cferraro@phparks.org or call Christina at 847.394.2848.
