

SUMMER EXTENDED PRESCHOOL

An extension of our current preschool program.

A Focus on Learning New Skills and Having Fun!

We will reinforce all academic skills, name, letter recognition, sounds, sharing, taking turns, and socialization.

Our daily routine will include craft, educational worksheets, rug time, and open play:

- Academic worksheets will reinforce small motor skills, shapes, numbers, letters, matching, and sorting.
- Rug time will consist of attendance, calendar, weather, practicing letter and sound, songs, reading stories, and music.
- Playtime will be outdoors at the park or free play in the gym.

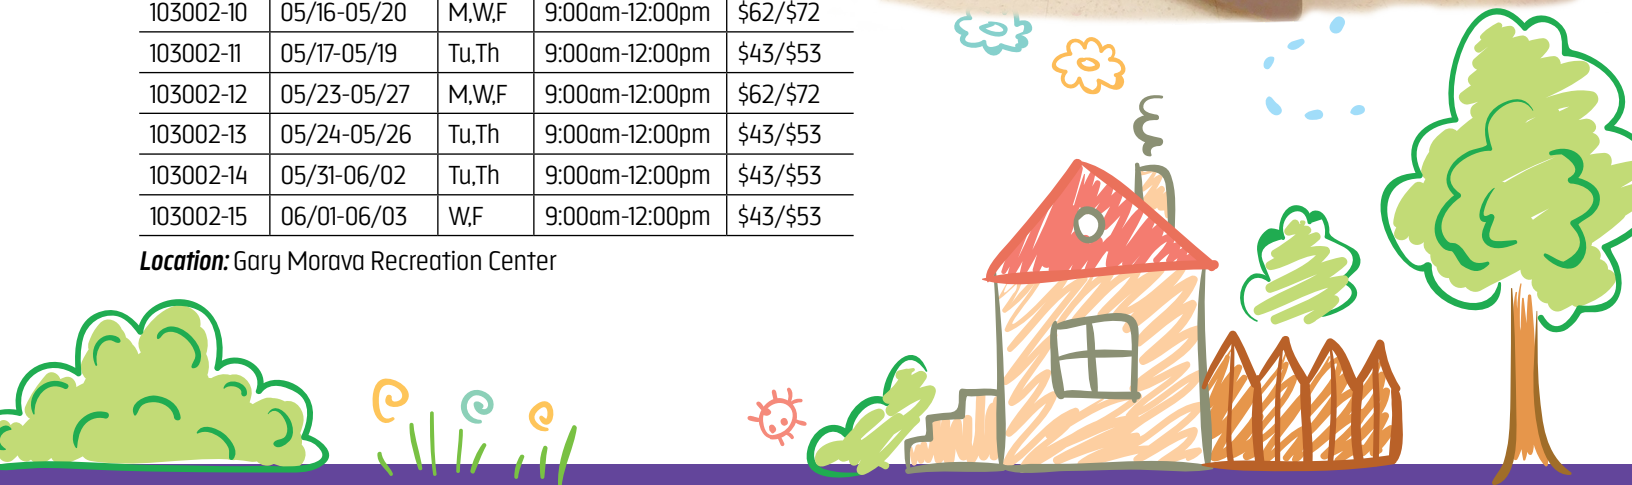

Please send your child with their own scissors, glue, crayons, markers, and pencils, and a small snack and drink.

Age: 3Y-5Y
