

SUMMERTIME PRESCHOOL

Keep Learning & Growing

Your child can engage in learning throughout the summer to help them maintain their academic performance. Summertime Preschool is a summer extension of our current preschool program.

- We will be reinforcing all academic skills, name and letter recognition, sounds, and crafts.
- Your child will be ready for the coming school year.
- Classes are taught by preschool teachers.

Please send your child with their own scissors, glue, crayons, markers, pencils, and a small snack and drink.

Age: 3Y-5Y

Code	Dates	Days	Times	R/NR
