LETTER FROM THE EXECUTIVE DIRECTOR CHRISTINA FERRARO, CPRE

Another year is nearly over, and we have much to look forward to at the Prospect Heights Park District.

You may have noticed a new face at the recreation center recently. His name is Panagiotis "Pan" Zervas and he is our newest Recreation Supervisor. He will be responsible for all Athletics, Aquatics and Fitness programs and staff. He graduated from Concordia University Chicago with a Bachelor of Arts in Sport, Fitness, and Recreation Management while double minoring in Coaching and Sociology. While at Concordia, he was also a part of the Men's Soccer team as a Goalkeeper at the NCAA Division 3 level. He has professional recreation experience with the Mt. Prospect Park District, Hi-Five Sports Clubs, and many different roles while in college. We are happy to have Pan on our team and he is equally excited to meet our residents.

The planned improvements at Wedgewood Park and Tully Park have been slow but coming along. New projects are always exciting, so we hope you enjoy these parks even more in the future. We hope you have seen the improvements at the Gary Morava Recreation Center: the walls are stained, new carpet and hallway furniture installed in addition to the padding on the hoops backboards and on the walls in the gym. The large free-standing monument signs at our parks are also being replaced with more modern designs and include our newer logo.

We continue to seek skilled people in delivering before and after school care. Despite this shortage, parks and recreation and the professionals who make it happen continue to be essential. Parks and recreation promote health and wellness. Programming and education activities are critical to childhood development. It drives economic opportunity. Thank you for your continued support to provide these for the community.

As we go into the fall season and prepare for 2024, we will continue working together to exceed your expectations.

PROSPECT HEIGHTS LIONS CLUB

On March 26, 1954, this club was chartered by Lions International and we stand on a proud record of service to the visually impaired, hearing impaired, and to our own community. Thanks to the countless hours spent by our members over the years, our philanthropic dollars have been spent in the development of many civic and recreational services. For more information, contact Dan Busse at dbusse302@gmail.com.

TREE OF LIFE

Honor a loved one, a cherished organization or commemorate a special event by donating a tree to the Prospect Heights community. Donated trees are planted in one of the Park District's fourteen sites plus the golf course. A staff member will consult with you to choose an appropriate tree and park location. All tree donations are acknowledged with a personalized engraved Gold Leaf and leaves are displayed on a plaque at the Gary Morava Recreation Center. Please call the Superintendent of Facilities & Parks at 847-666-4867 if you would like additional information.

PARKS FOUNDATION

If you are interested in serving on the newly formed Parks Foundation, please contact Christina Ferraro at cferraro@phparks.org. Top three reasons you should volunteer on the Parks Foundation: 1. To maintain the quality of life you expect in your community. 2. To give back to your community. 3. To have fun accomplishing things around your community together with your neighbors.

INSURANCE

The Prospect Heights Park District does not provide accident insurance for participants in park programs. There is no insurance for loss of personal property. The Prospect Heights Park District is subject to the Local Governmental and Governmental Employees Tort Immunities Act, which grants immunities and defenses to claims arising of the use of recreational properties. Therefore, the Prospect Heights Park District is not responsible for loss of personal property or participation in recreation programs.

INCLUSION ASSISTANCE

Inclusion assistance is provided by NWSRA (Northwest Special Recreation Association) to those individuals who wish to participate in their home park district programs. When registering for a park district program, the parent or individual with a disability should inform the Prospect Heights Park District (and NWSRA if desired) if any accommodations are needed in order to successfully participate in the program. The Prospect Heights Park District will then contact NWSRA for assistance with the accommodation. Request must be made two weeks prior to the start of the program. Contact NWSRA at 847-392-2848 for further information. NWSRA is recruiting staff, please contact them for employment opportunities.

NORTHWEST SPECIAL RECREATION ASSOCIATION (NWSRA)

Make friends, have fun, go new places, learn new things, be included and celebrate your life at NWSRA! NWSRA exists to provide outstanding opportunities through recreation for children and adults with disabilities. The team of full-time Certified Therapeutic Recreation Specialists (CTRS) and trained part-time staff provide safe, fun and accessible year-round opportunities to individuals of any age and ability level. Inclusion assistance also provides individuals with disabilities the opportunity to participate in their home park district program. NWSRA offers hundreds of virtual and in-person programming options to meet the diverse needs and interest of the community. Check out all program offerings at nwsra.org/brochure. For more information, contact the NWSRA registration office at 847-392-2848 (voice), 847-392-2855 (TTY) or email office@nwsra.org.

The Prospect Heights Park District is a member of a cooperative agreement among 17 Park Districts which form the Northwest Special Recreation Association (NWSRA).

ADA COMPLIANCE

The Prospect Heights Park District is in full compliance with the Americans with Disabilities Act (ADA), which prohibits discrimination in the provision of programs, services or activities to individuals with disabilities. We invite any resident with a special need to contact our staff or the NWSRA staff for additional information regarding ADA issues. People with a disability are encouraged to visit the GMRC for information and input.

SAY CHEESE!

RESIDENT REGISTRATION BEGINS MONDAY, NOVEMBER 13

NON-RESIDENT/PARTNER REGISTRATION BEGINS MONDAY, NOVEMBER 20

WHO IS A PROSPECT HEIGHTS PARK DISTRICT RESIDENT?

You are a resident if you pay taxes to the Prospect Heights Park District.

PARTNER RESIDENT AGREEMENTS

Through our cooperative "three-for-one" agreement, all programs and most facilities offered by the three listed park districts are available to anyone living within each of the three park district boundaries. A resident of any of the three districts is considered a Partner Resident of the other two park districts and is therefore able to enroll in classes or programs at resident rates. Each of the park district golf courses will have a Partner Resident fee available on weekdays only. Although the agreement may result in an increase in the number of potential users, each park district will continue to maintain its individual identity and utilize monies available to it at present tax rates. Residents always receive priority registration within their "home district" while enjoying the added benefit of enrolling in a "partner district's" class or program at resident rates.

PARTNER RESIDENT AGREEMENT WITH SCHOOL DISTRICT 23

The Prospect Heights Park District and School District 23 entered into an intergovernmental cooperation agreement to save the taxpayers money by sharing the use of properties owned by District 23 and the Prospect Heights Park District in a manner that the facilities may be utilized to their fullest capacity. Part of this agreement includes that all inhabitants who reside within School District 23 boundaries shall be considered partner residents and will not be required to pay non-resident fees.

REFUND POLICY

A refund may be requested by completing the Refund Request Form at <https://phparks.org/refund-request-form/>. A full refund will be issued if the program is cancelled by the Park District. Prior to the commencement of the program, refunds are given except for uniforms or supplies pre-purchased. Prorated refunds may be received for medical reasons and extenuating circumstances only with the supervisor's approval. Allow 10-15 business days for processing. No cash refunds. No refunds are given for deposits, passes, contractual programs, leagues, trips, unused activities or specials events before or after the activity unless cancelled by the Park District.

HOW TO CREATE A NEW ACCOUNT

Everyone must have a Customer Account to register for programs. For Prospect Heights residents and Partner residents, you need to prove residency to get the resident rate. Please check on cookcountyviewer.com. Enter your address. If your park district taxes go to Prospect Heights, you are a Resident. If your taxes go to Mt. Prospect Park District, River Trail Park District or School District 23, you are a Partner Resident. Partner Residents receive the resident rate on the non-resident registration date.

If you are a resident or a partner resident:

Visit us during our open hours of operation to make a customer account. You must bring proof of residency for you and your family members with the current address listed.

ADULTS can bring a driver's license, state ID, or one of the following: utility bill (no older than 60 days), voter registration card, or a vehicle registration card.

CHILDREN will need to show one of these: a birth certificate, parent insurance card listing dependents, current report card, school picture ID, or other form of ID a parent may have that proves the children reside at that address.

If you are a non-resident:

Call 847-394-2848 to have your account set up during open hours of operation. No proof of residency is required. You will be required to give your name, address, email, phone number and date of birth. Our front desk staff will assist you and assign you a temporary password to access online registration.

Where's Rudolph?

Rudolph is missing and Christmas will be ruined if he isn't found. The Prospect Heights Park District is on a mission to help Santa find his lead reindeer, Rudolph!

We are asking residents to help us find Rudolf in time to make it back to the North Pole to lead Santa's sleigh in time for Christmas. Participants will find and solve clues, puzzles, and riddles hidden around Prospect Heights to take you to the next location. You will receive your first clue on December 8 via email. Once you have reached Rudolph's final location, email us all locations you visited that had clues, so that we can enter your family into the grand prize drawing.

This scavenger hunt will take approximately 1 - 2 hours depending on the age of your investigators. You can participate in this event at your own pace.

SQUARE DANCING FUN

Location Gary Morava Recreation Center

Join us for some square-dancing fun with the Arlington Squares Dance Club. Today's square dancing is exercise because of all the walking you do to the beat of the music, it is social because of all the friendly people you meet, and it is mentally stimulating because of the calls you learn and respond to while dancing. All these benefits you will gain while also having fun! And while Country-Western is certainly the traditional music for square dancing, today's dancers move to a variety of music including current rock hits. As long as the music has a good beat, it can be used for square dancing! No partner is needed so singles and couples are welcome to attend lessons, as are youth grades 4 and up when accompanied by an adult. No prior experience is needed. Dance assistants will be there to guide you. Wear casual clothes and comfortable shoes. There will be no classes held on 3/30 and 5/25.
