Creative Kids Preschool 2024

Extended Preschool

May 13-24

Extended preschool is an extension of our current school year. We will reinforce all the academic skills and follow the same classroom routine. Registration begins March 25th.

Evaluations

We are in the process of evaluating all students. You may get notes home reminding you to practice letters, sounds, numbers, colors and shapes. We hope that between the practice at home and school, children have the opportunity to achieve their best. The evaluations will be completed by April 12th.

Please **do not** hesitate to ask your teacher any questions that may arise.
