Special Events

Gain visibility and recognition among our event attendees, who often include residents from our district as well as visitors from neighboring areas. Additionally, sponsorship offers an excellent opportunity for your organization to align itself with the values of community engagement, health, and recreation.

We offer various sponsorship levels to accommodate different budgets and preferences. Benefits of sponsorship may include prominent logo placement on event materials, recognition in social media and marketing materials, opportunities for on-site promotion and more.

Let's discuss our sponsorship opportunities in more detail and explore how we can tailor a package that best suits your organization's goals and interests. Contact Kailyn Joyce, Community Relations Specialist, at kjoyce@phparks.org or 847.666.4864.
