Creative Kids Preschool

2024

Off to a Great Start!

Our four-year-old class is busy practicing writing their names. We have introduced the sight words the, of & and. We've started our letter bag guessing game. Many children forget to tell the clue and accidentally say what's in the bag. They will be professionals by the letter Z!

Our three-year-old classes are working hard on tracing letters, and learning their numbers, colors and their shapes. In our clear bag, students should bring in a picture of the letter of the week.

All classes are working on walking in a line, putting our papers in our backpacks, and having good listening ears. The progress is amazing!

Cold Season is upon us

We always ask that you keep your kids home from school when...

*He or she has a fever (must be fever free for 24hrs before returning to school).

*He or she vomits (can return to school 24hrs after vomiting).

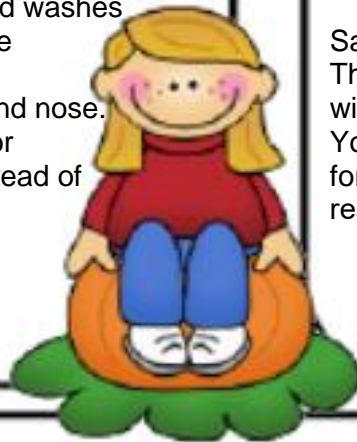

* He or she have green mucus in their nose.

Please make sure that your child washes their hands each morning before entering the classroom.

Practice covering their mouth and nose.

Remind them to cover coughs or

Sneezes using their elbows instead of their hand when a tissue is not available.

Show and tell

On show and tell days please have your child bring one item from home that is special to him/her. All items should be appropriate for a school environment (**no weapons please**).

Your child will have the opportunity to stand up in front of their classmates and tell them about their special item.

PHPD Arts Showcase

Saturday November 9, 10am-3pm

The showcase will feature preschool art. There will also be a Kids Holiday Shopping Boutique! Young shoppers will be able to purchase gifts for all the special people in their lives at very reasonable kids' prices!

Upcoming Events/Programs at the Park District
