About Special Events

As a Park District, we offer numerous events throughout the year, catered to various audiences. Residents from our district and visitors from neighboring areas attend our events in search of fun times and new opportunities. No matter the season, we have a special event for everyone to enjoy, and for your business to participate in via sponsorship.

Why Sponsor Special Events?

Special Events sponsorship allows companies to gain visibility and recognition among event attendees, including opportunities to attend events and be advertised alongside them. Additionally, Special Events sponsorship allows your organization to align itself with the values of community engagement, health, and recreation. We offer sponsorship levels to accommodate your budget and preferences.
