## LETTER FROM THE EXECUTIVE DIRECTOR

**CHRISTINA FERRARO, CPRE**

*For more information  
Contact Christina Ferraro  
cferraro@phparks.org  
847.666.4861*

Summer is a busy season at the Prospect Heights Park District. Warm weather means summer camp, golf, pool, July 4th Parade, swim team, Garden Dash, Block Party and more. We are fortunate to offer several opportunities to enjoy the parks and programs throughout the Prospect Heights Park District.

This spring, the tennis and pickleball courts at Country Gardens Park will be resurfaced to include one tennis court and two pickleball courts, providing an improved playing experience for all. Unfortunately, the Lions Park courts are indefinitely closed due to underground water damage that has compromised the court surface. Excess water beneath the courts has caused structural instability, making play unsafe. Tennis and pickleball courts are available at both Country Gardens Park, 901 N. Schoenbeck Rd., and Claire Lane Park, 617 Claire Lane.

We encourage you to visit the recently renovated Wedgewood Park

located at Wedgewood Lane and Oxford Place. The improvements at Tully Park, 214 S. Wheeling Rd., should be completed this spring and will include native landscape and a horseshoe drive.

We are in the strategic and master planning process for the District. These will provide a clear roadmap for the future development and management of parks, facilities, the bike path, and green spaces. Community feedback is essential to prioritize community needs. Focus groups and community surveys have been completed and we thank those who shared their feedback during the process. These plans help prioritize projects, budgets, and staffing based on community needs. They also ensure parks, facilities, and programs are well-maintained and meet future demands. We're excited to finalize and implement these plans, ensuring that the Prospect Heights Park District continues to grow and thrive for years to come!

### BOARD MEETINGS

All residents are welcome to attend our Board Meetings, held the fourth Tuesday of each month at 7:00P in the Gary Morava Recreation Center.

## GENERAL INFORMATION

### OUT OF DISTRICT FAIR SHARE FEES

The Prospect Heights Park District residents make a significant contribution to the financing and operations of the park district through their property taxes. This contribution is beyond the fees they pay for programs and services. The fair share fee was adopted by the park district's Board of Commissioners to equalize this financial burden. For select programs, the fair share fees will be 15% more than the park district resident fee for non-residents.

### PARKS FOUNDATION

If you are interested in serving on the Parks Foundation, please contact Christina Ferraro at [cferraro@phparks.org](mailto:cferraro@phparks.org). Top three reasons you should volunteer on the Parks Foundation: 1. To maintain the quality of life you expect in your community. 2. To give back to your community. 3. To have fun accomplishing things around your community together with your neighbors.

### INSURANCE

The Prospect Heights Park District does not provide accident insurance for participants in park programs. There is no insurance for loss of personal property. The Prospect Heights Park District is subject to the Local Governmental and Governmental Employees Tort Immunities Act, which grants immunities and defenses to claims arising of the use of recreational properties. Therefore, the Prospect Heights Park District is not responsible for loss of personal property or participation in recreation programs.

### SAY CHEESE!

If you have great photos of you and your family or friends enjoying the Prospect Heights Park District's parks, programs or special events, we'd love to see them! These fun photos are useful in publicizing our activities and we would like to share them with your fellow residents by showcasing them in upcoming brochures. Please forward photos for consideration to [ecastil@phparks.org](mailto:ecastil@phparks.org). Be sure to include the name of the photographer and those of your subjects so we can credit you for the photo. We reserve the right to photograph and videotape all park district program participants for use on our website, brochures, newsletters, social media, cable station programming, etc.

### PROSPECT HEIGHTS GARDEN CLUB

The Prospect Heights Garden Club is an active service organization which strives to be beneficial, charitable, and educational to the community, conducive to the well-being of the environment, and supportive of the cultivation of nature's beauty. Meetings are held the first Thursday of each month, from September–May, at 11:30A at the Gary Morava Recreation Center. For more information, please contact Chris Barr at [chrisbarr.1@hotmail.com](mailto:chrisbarr.1@hotmail.com).

### PROSPECT HEIGHTS YOUTH BASEBALL/SOFTBALL (PHYBS)

Prospect Heights Youth Baseball/Softball is proud of its tradition of offering the children of our community the best baseball, t-ball and softball programs in the northwest suburbs. Register at [www.PHYBS.org](http://www.PHYBS.org)

## GENERAL INFORMATION

## PROSPECT HEIGHTS LIONS CLUB

On March 26, 1954, this club was chartered by Lions International and we stand on a proud record of service to the visually impaired, hearing impaired, and to our own community. Thanks to the countless hours spent by our members over the years, our philanthropic dollars have been spent in the development of many civic and recreational services. For more information, contact Dan Busse at [dbusse302@gmail.com](mailto:dbusse302@gmail.com).

## TREE OF LIFE

Honor a loved one, a cherished organization or commemorate a special event by donating a tree to the Prospect Heights community. Donated trees are planted in one of the Park District's fourteen sites, plus the golf course. A staff member will consult with you to choose an appropriate tree and park location. All tree donations are acknowledged with a personalized engraved Gold Leaf and leaves are displayed on a plaque at the Gary Morava Recreation Center. Please call the Superintendent of Parks & Facilities at 847.666.4867 if you would like additional information.

## INCLUSION ASSISTANCE

Inclusion assistance is provided by NWSRA (Northwest Special Recreation Association) to those individuals who wish to participate in their home park district programs. When registering for a park district program, the parent or individual with a disability should inform the Prospect Heights Park District (and NWSRA if desired) if any accommodations are needed in order to successfully participate in the program. The Prospect Heights Park District will then contact NWSRA for assistance with the accommodation. The request must be made two weeks prior to the start of the program. Please contact NWSRA at 847.392.2848 for further information. NWSRA is recruiting staff, contact them for employment opportunities.

## SPECIAL RECREATION ASSOCIATION (NWSRA)

Make friends, have fun, go to new places, learn new things, be included and celebrate your life at NWSRA! NWSRA exists to provide outstanding opportunities through recreation for children and adults with disabilities. The team of full-time Certified Therapeutic Recreation Specialists (CTRS) and trained part-time staff provide safe, fun and accessible year-round opportunities to individuals of any age and ability level. Inclusion assistance also provides individuals with disabilities the opportunity to participate in their home park district program. NWSRA offers hundreds of virtual and in-person programming options to meet the diverse needs and interest of the community. Check out all program offerings at [nwsra.org/brochure](http://nwsra.org/brochure). For more information, contact the NWSRA registration office at 847.392.2848 (voice), 847.392.2855 (TTY) or email [office@nwsra.org](mailto:office@nwsra.org). The Prospect Heights Park District is a member of a cooperative agreement among 17 Park Districts which form the Northwest Special Recreation Association (NWSRA).

## ADA COMPLIANCE

The Prospect Heights Park District is in full compliance with the Americans with Disabilities Act (ADA), which prohibits discrimination in the provision of programs, services or activities to individuals with disabilities. We invite any resident with a special need to contact our staff or the NWSRA staff for additional information regarding ADA issues. People with a disability are encouraged to visit the GMRC for information and input.

# GENERAL INFORMATION

## RESIDENT REGISTRATION BEGINS MONDAY, MARCH 24

## NON-RESIDENT/PARTNER REGISTRATION BEGINS MONDAY, MARCH 31

### WHO IS A PROSPECT HEIGHTS PARK DISTRICT RESIDENT?

You are a resident if you pay taxes to the Prospect Heights Park District. To confirm your residency lease visit <https://maps.cookcountyil.gov/cookviewer> and enter your address.

### PARTNER RESIDENT AGREEMENTS

Through our cooperative "three-for-one" agreement, all programs and most facilities offered by the three listed park districts are available to anyone living within each of the three park district boundaries. A resident of any of the three districts is considered a Partner Resident of the other two park districts and is therefore able to enroll in classes or programs at resident rates. Each of the park district golf courses will have a Partner Resident fee available on weekdays only. Although the agreement may result in an increase in the number of potential users, each park district will continue to maintain its individual identity and utilize monies available to it at present tax rates. Residents always receive priority registration within their "home district" while enjoying the added benefit of enrolling in a "partner district's" class or program at resident rates.

The Prospect Heights Park District and School District 23 entered into an intergovernmental cooperation agreement to save the taxpayers money by sharing the use of properties owned by District 23 and the Prospect Heights Park District in a manner that the facilities may be utilized to their fullest capacity. Part of this agreement includes that all inhabitants who reside within School District 23 boundaries shall be considered partner residents and will not be required to pay non-resident fees.

### REFUND POLICY

A refund may be requested by completing the Refund Request Form at <https://phparks.org/refund-request-form>. A full refund will be issued if the program is canceled by the Park District. Prior to the commencement of the program, refunds are given except for uniforms or supplies pre-purchased. Prorated refunds may be received for medical reasons and extenuating circumstances only with the supervisor's approval. Allow 10-15 business days for processing. No cash refunds. No refunds are given for deposits, passes, contractual programs, leagues, trips, unused activities or specials events before or after the activity unless canceled by the Park District.

## FUN FACTS

- Did you know two bee hives were installed near the bridge between Country Gardens and Somerset Park as part of ComEd's pollinator project near the prairie? They are thriving by foraging nectar and pollen from the prairie plantings nearby!
- Have you visited the Nature Preserve at the north end of Lions Park? The wood chip trail and stepping stone bridge over McDonald Creek were created from an Eagle Scout project, that included 49 volunteers working for a combined 224 hours.
- Have you tried the zipline playground equipment installed at School Street Park?
- Are you aware that Izaak Walton Park has two sections of boardwalk that connect several nature trails and an observation deck?
- Check out the StoryWalk® in Lions Park any day of the year! It's a project of the Prospect Heights Library and Park Districts. Stroll along the gravel path and read children's stories. Stories are changed quarterly.
